Ordinances

O1 . Eligibility:

Passed 10+2 examination. Obtained at least 45% (42% for OBC& 40 % for SC/ST) marks in the qualifying Examination.

O2 . Duration:

The **B.A.LL. B(Hons.)** programme will normally be of five academic years duration spanning over **ten semesters**.

Programme Objective (PO):

1. Comprehensive Legal Knowledge:

The program aims to provide students with a thorough understanding of legal principles and statutes. The entire statute is covered in teaching, unless specified otherwise, along with any relevant amendments made by the competent legislature.

2. Current Legal Awareness:

The program aims to keep students updated with the latest legal developments by incorporating relevant and updated judicial precedents into the curriculum. This ensures that they are well-versed in contemporary legal issues and interpretations.

3. Bar Council Alignment:

The curriculum is aligned with the standards set by the Bar Council of India Legal Education rules. This enables students to meet the requirements for enrolling in the Bar and practicing law effectively.

4. Professional Competence:

The program aims to equip students with the necessary skills and knowledge to succeed in legal practice through effective evaluation methods designed to assess their understanding and application of legal concepts.

5. Ethical and Professional Standards:

The program aims to instill in students a strong sense of legal ethics and professional conduct. This prepares them to uphold the integrity of the legal profession while serving the interests of justice and society.

6. Legal Research and Analysis:

The program aims to develop students' abilities in legal research, analysis, and argumentation. This enables them to navigate complex legal issues and contribute meaningfully to legal discourse and advocacy.

7. Critical Thinking and Problem-Solving:

The program aims to foster critical thinking skills and problem-solving abilities among students. This empowers them to approach legal challenges with creativity, logic, and strategic reasoning.

8. Communication and Advocacy:

The program aims to enhance students' communication skills and advocacy techniques. This equips them to articulate legal arguments persuasively and represent clients effectively in various legal settings.

9. Professional Development:

The program aims to support students in their professional development journey by providing opportunities for internships, practical training, and exposure to diverse legal practices. This helps bridge the gap between academic learning and real-world legal practice.

The BALL.B(Hons.) programme is aimed at imparting knowledge on the fundamental principles of Law. This programme is beneficial for the students in the area of higher studies, career opportunities in both private and public sectors.

Programme Specific Objective (PSO):

PSO1:

The BALL.B (Hons.) program aims to provide a comprehensive understanding of fundamental legal principles. This professional law degree is designed to offer top-quality legal education in accordance with the Bar Council of India's Legal Education rules. This, in turn, allows students who complete these programs to enroll themselves in the Bar and practice law.

After completing law and after registration from their particular State Bar Councils advocates can sit in AIBE (All India Bar Examination) and after passing this exam it allows advocates to practice in any District court, High court and Supreme court within the territory of India. Advocacy in itself is a very profound profession which advocates may prefer to do in their respective interesting fields. Advocates can even join Law Firms. This way advocates can fight for their clients and help them fight their cases.

PSO2:

Law students can also go for the Judiciary and become Civil judge and serve the society by giving justice to them. Being a judge is one of the noble professions where students get a chance to help

the society by giving them the opportunity of fair trial and do justice with the weaker sections of the society.

PSO3:

Law students can contribute to the society by becoming good law teachers and multiply and pass their knowledge with unlimited numbers of students which may give more opportunity for new and qualitative judges and advocates in the society.

PSO4:

Law students can serve the society by becoming Legal Advisor in PSUs and giving good advice to the required companies which ultimately is for the benefits of the society.

Law students can serve the society by becoming good legal journalists and publishing about legal news and updates on law, landmark case laws etc. can criticize the judgements of various higher courts with due integrity which opens channels for the society to rethink and criticize about the effects of any particular judgements in the society.
