# Recognition and Approval

---

The University is recognised by the UGC under section 2(f) of the UGC act 1956.

---

The Bar Council of India (BCI) has approved the extension and granted the University to continue the LL.B., BA LL.B. (Hons.) and BBA LL.B. programmes under the norms and regulations of BCI.

---

The Pharmacy Council of India (PCI) has approved the University to run the D. Pharm. and B. Pharm. programmes under Section 12(f) of the Pharmacy Act, 1948.

---

The University has been recognized and has been granted membership of the Association of Indian University (AIU). A regular update of the University key features is maintained in the AIU portal of the University.

---

The University has registered itself with the Foreign Residents Registration Officer (FRRO) to allow the foreign students coming to study in the University.

# Vision

To be a global leader in higher education, renowned for our commitment to academic excellence, innovation and societal impact. The University strive to empower its students with the knowledge, skills and ethical foundation to become leaders that can take on any challenge the world may throw at them. The University aims to imbibe the National Education Policy through cutting-edge research, interdisciplinary collaboration and a culture of inclusivity and to address the most pressing challenges faced by humanity and contribute positively to the advancement of knowledge and the betterment of society.

# Missions

- Providing the best quality education that prepares students for successful careers and lifelong learning. This mission involves offering a diverse range of academic programs, fostering critical thinking and analytical skills and promoting intellectual curiosity.
- Advancing knowledge and understanding through cutting-edge research across various disciplines. This mission involves conducting original research, pushing the boundaries of knowledge and contributing to academic and scientific advancements.
- Fostering holistic education through the concepts of the National Education Policy-2020, engaging with the local community and beyond through service, outreach programs and partnerships. This mission involves collaborating with community organizations, addressing societal needs and promoting civic responsibility and social justice.
- Developing a culture of innovation, creativity, and entrepreneurship among students, faculty and staff. This mission involves supporting startup ventures, promoting technology transfer and nurturing an environment conducive to innovation and problem-solving.
- Creating a diverse and inclusive campus environment that celebrates differences and promotes equity and belonging for all members of the university community. Retaining a diverse student body and faculty, promoting multicultural understanding and positively addressing issues of discrimination and inequality.
- Promoting internationalization and global awareness through study abroad programs, international partnerships and cross-cultural exchanges. Preparing students to thrive in a globalized world, addressing global challenges and fostering international collaboration and understanding.
- Demonstrating a commitment to environmental stewardship, sustainability and social responsibility. Integrating sustainable practices into campus operations, promoting environmental awareness and conservation efforts, and advancing sustainability education and research.
- Supporting the personal and professional growth of students by providing opportunities for leadership development, career preparation, and lifelong learning. Offering career services, internships, co-op programs and extracurricular activities that enhance students' skills and competencies.

"Self-confidence provides strength and power imparts knowledge.  
Knowledge provides stability and stability leads to victory"

Chhatrapati Shivaji Maharaj

# LEADERSHIP MESSAGE FROM THE PRESIDENT (CHANCELLOR)

It is with great pride and enthusiasm that I welcome you to Chhatrapati Shivaji Maharaj University (CSMU), a place where innovation meets tradition, and where dreams are nurtured into reality. I am honoured to lead an institution that is deeply committed to academic excellence, transformative learning, and the holistic development of every individual who walks through our doors.

At CSMU, we believe that education is not just about acquiring knowledge but about shaping character, fostering critical thinking, and inspiring a lifelong passion for learning. Our world-class faculty, state-of-the-art facilities, and vibrant campus life are designed to provide you with an unparalleled educational experience. Whether you are pursuing the arts, sciences, engineering, business, or any other field, you will find a supportive and dynamic environment that encourages you to explore, innovate, and excel.

Our university is more than just a place of learning; it is a community. A community that values diversity, inclusivity, and collaboration. Here, you will meet peers from across the globe, engage in meaningful dialogue, and build connections that will last a lifetime. We are dedicated to ensuring that every student has the opportunity to thrive, both academically and personally, and to graduate as a well-rounded, socially responsible global citizen.

As you consider your future, I encourage you to envision the possibilities that await you at CSMU. Whether your aspirations lie in groundbreaking research, creative expression, entrepreneurial ventures, or public service, we are here to help you achieve them.

**Dr. Keshav Badaya**  
President

Together, we will work to unlock your potential and prepare you to make a meaningful impact in an ever-changing world.

I welcome those who wish to be our companions on this incredible academic journey and share our feelings towards the institution as family, partner showing a sense of pride and mindfulness of the commitment that comes from being an organic part of it.

# WORDS OF INSPIRATION FROM THE VICE CHANCELLOR

The Chhatrapati Shivaji Maharaj University has demonstrated its commitment and resolve to deliver quality education in the recent years. A number of major shifts in the education delivery and assessment are dealt with rigorous exercises, first-rate teaching skills from well qualified and experienced faculty members utilizing modern state-of-the-art & ICT enabled facilities.

The University has enhanced the students’ journey by investing in the development of entrepreneurial skills through activities that complement the classroom. Emphasis is placed on industry placements and exchange programmes / industrial projects to fulfil our vision of developing career-ready graduates and global citizens. Despite being relatively young, the University has advanced into leading institution of higher learning in the region. Our strong culture for teaching is supplemented by outstanding research and innovation. Students have the extraordinary opportunities to be taught by faculty who are defining the cutting edge of new knowledge. Interdisciplinary academic programmes and research provide opportunities to fully leverage our talents to forge innovation in many areas. The exceptional vision of our Hon’ble President Dr. Keshav Badaya has guided the University’s overall development. I welcome all the brilliant minds to share the honour and a privilege to be part of CSMU at this very special juncture of its history. These are challenging times for higher education in fiercely competitive world, but together we will grow and succeed in our mission to educate students, create knowledge, and provide service to our community and beyond.

**Prof. (Dr.) Keshari Lal Verma**  
Vice Chancellor

## A MESSAGE FROM THE REGISTRAR

At Chhatrapati Shivaji Maharaj University, we cultivate strong all-round personalities and students are expected to have an enriching and life-turning experience which will enable them to achieve new heights in their professional life. We foster sharpening of skills and enhancement of the knowledge base of our students by means of various curricular, co-curricular and extra-curricular activities. All the activities are being made possible by our highly capable and skilled faculties.

Our faculty members have received teaching and training from various reputed institutes and laboratories in India and abroad. The pedagogy and skill which they possess are proving highly useful in transforming our students into holistic global citizen.

The Syllabi of the programmes follows student-centric Choice-Based Credit System (CBCS) and are designed by the recommendation of academia and industry experts. Registrar: The University gradually implements the National Education Policy (NEP-2020) in view of the benefit of students

The interactions with corporate sectors and evolving Industry Specialized Programmes, particularly in association with tech giants such as IBM and TCS offers a number of specializations that are in high demand. Industry supported projects undertaken by our students under the supervision of the faculty is vital for making the students placement ready. Further, to provide a flavour of global best practices, our students are exposed to a brief but intensive 'International Programme' at an international location, designed in collaboration with leading Foreign Universities.

**Dr. R. P. Sharma**  
Registrar

# GRIEVANCE REDRESSAL

CSMU boasts a strong and effective grievance-redressal mechanism. The University has constituted a Student Grievance Redressal Committee (SGRC) to address all student grievances. Any grievance can be lodged online by logging in to the students' portal at <http://mycamu.co.in/> or via the mycamu app.

## Members of the SGRC

S No	Name	Position in Committee	Mobile No.
1	Dr. Vikas Kumar	Chairperson	7217000020
2	Dr. Rajpal Singh Kushwah	Member	9782329164
3	Dr. S.P. Mishra	Member	8707727034
4	Dr. Mohsin Hasan	Member	8750416022
5	Dr. Deelip D Mestri	Member	9969361349
6	Dr. Anirudha Sakhare	Member	9673989270
7	Dr. Mrs. Kalpana Dabhade	Member	9867645663
8	Mr. Abhinav Pandey	Special Invitee (Student)	7017246768
9	Mr. Rakesh Junnarkar	Member	7900121250

If the SGRC fails to redress the grievance, the grievance may be taken to the Ombudsperson

Name	Prof. (Dr.) Navin Mathur
Designation	Ombudsperson of CSMU, Retd. Professor of Management, Rajasthan University
Email:	professornavinmathur@gmail.com

**Dr. Anirudha V. Sakhare**  
Dean, Students' Welfare  
E-mail: [dsw@csmu.ac.in](mailto:dsw@csmu.ac.in)

### Dean, Students' Welfare (D.S.W.)

The D.S.W. monitors the overall student activity and ensure welfare of the students. D.S.W. holds regular sessions with students and welcome proposals for the enhancement of the teaching-learning environment of the University and redressal of grievances.

**Mr. Rakesh Junnarkar**  
Proctor  
E-Mail: [proctor@csmu.ac.in](mailto:proctor@csmu.ac.in)

### Proctor

The Proctor is in-charge of discipline of the University campus and supervises the safety and security of the staff and students. The Proctor also coordinates with the hostel wardens and ensures the wellbeing of hostel residents.

**DSW and Proctor works hand in hand to ensure welfare of all students  
and to create a ragging free, safe and healthy campus for barrier-free growth.**

# Welcome To CSMU

## SALIENT FEATURES

- Strategically located in Panvel, Navi Mumbai - the biggest industrial hub of Navi Mumbai.
- Regular individual & group counseling by expert counsellors.
- Proper and Stringent Academic Planning and Monitoring.
- Active Cell & Committees for Growth, Welfare and Development of Students.
- Cross disciplinary, interactive and transformative teaching & research.
- Participative Management and healthy motivating environment.
- Highly qualified and experienced faculty.
- Various development workshops, seminars, conferences.
- Multidisciplinary Programmes and Research
- Four-Year Undergraduate Programmes (FYUP) under NEP-2020
- Degree and Certificate in NAD/ Digilocker
- Sports, gym and yoga facilities
- Free guidance & help to the Students in filling various online exam form like CET/NET/SET/GATE/IAS/ GRE /TOEFL/ IELTS/JEE /NATA/ NEET/ CET/ KVPY.
- English coaching and regular personality development programmes/classes.
- Loan facility from Nationalized Banks.
- Educational tours & industrial visits for practical exposure.
- Research lab facility.
- Rich cultural, recreational and leisure activities.
- Counseling, Training & Placement assistance.
- Modern facilities and audio-visual teaching aids.
- Involvement of students in Social activities of NSS & Students Welfare Cell.
- Use of ERP software for maintaining academic record's.

# ABOUT US

Chhatrapati Shivaji Maharaj University is established with a vision and mission to impart quality education in all spheres of higher learning in India. The University has evolved to create such graduates who can lead ahead in all walks of life to mark incredible contribution in society and imbibing with moral values in their lives.

The University aims at providing holistic development of the students where they can hone their skills towards perfections. It is the best place where the best courses are under their reach.

Chhatrapati Shivaji Maharaj University is situated in Navi Mumbai, the educational hub of Maharashtra having sprawling & lush green campus. State of the art Infrastructure of University with independent academic & administrative blocks, hostels, laboratories, playground etc. provides scholarly & soothing ambience for learning & growth of the students.

It creates a cooperative and healthy environment with a professional attitude to bring out the best in the student to face the cut-throat global competition.

Chhatrapati Shivaji Maharaj University brings together a community of wide ranging interests, competencies & aspirations from Engineering, Architecture, Design, Management, Law, Humanities, Commerce, Applied Sciences, Life Science & Biotechnology, Arts & Humanities.

## IMPLEMENTATION OF NEP-2020

The University is Implementing the NEP-2020 in phases by:

- Forming a Core Team to Implement NEP-2020:
- Adapting Curriculum as per provided in the NEP-2020:
- University having unique Registration ID in Academic Bank of Credits
- Multiple Entry and Exit window has been opened for its students
- University offering Courses in Indian Languages
- University undertakes Industry – Institute Linkage MoU's
- Offering Courses from Swayam Platform
- Multidisciplinary programs through CBCS
- 100 % ABC ID of students
- Certificates and marksheet in National Academic Depository (digilocker-NAD)

# FACILITIES @ CSMU

## LIBRARY

CSMU Libraries contains 30000+ books, 5500+ journals in various disciplines and e-library facility with wi-fi connectivity

## AUDITORIUM

A large, spacious multi storied auditorium to conduct various cultural programs, competitions, auditions and other activities.

## AMPHITHEATRE

An Amphitheater of the campus enables the students to practice & perform co-curricular and extra-curricular activities.

## HOSTEL

The university has separate boys and girls residential rooms to make them feel home away from home with all facilities.

## LIVING ROOMS

Well ventilated, AC rooms with attached toilet, wardrobe, couch, studytable & chair and regular services of housekeeping round the clock.

## CAFETERIA

Cafeteria situated at university campus dishes out combo meals and snacks catering to varied tastes & quality material.

## MESS

The university has modern canteen & mess facilities to cater to students & staff with hygienic & healthy food.

## HOSPITAL

Facility of a multi-specialty hospital with 300 beds and fully functional ICU Units.

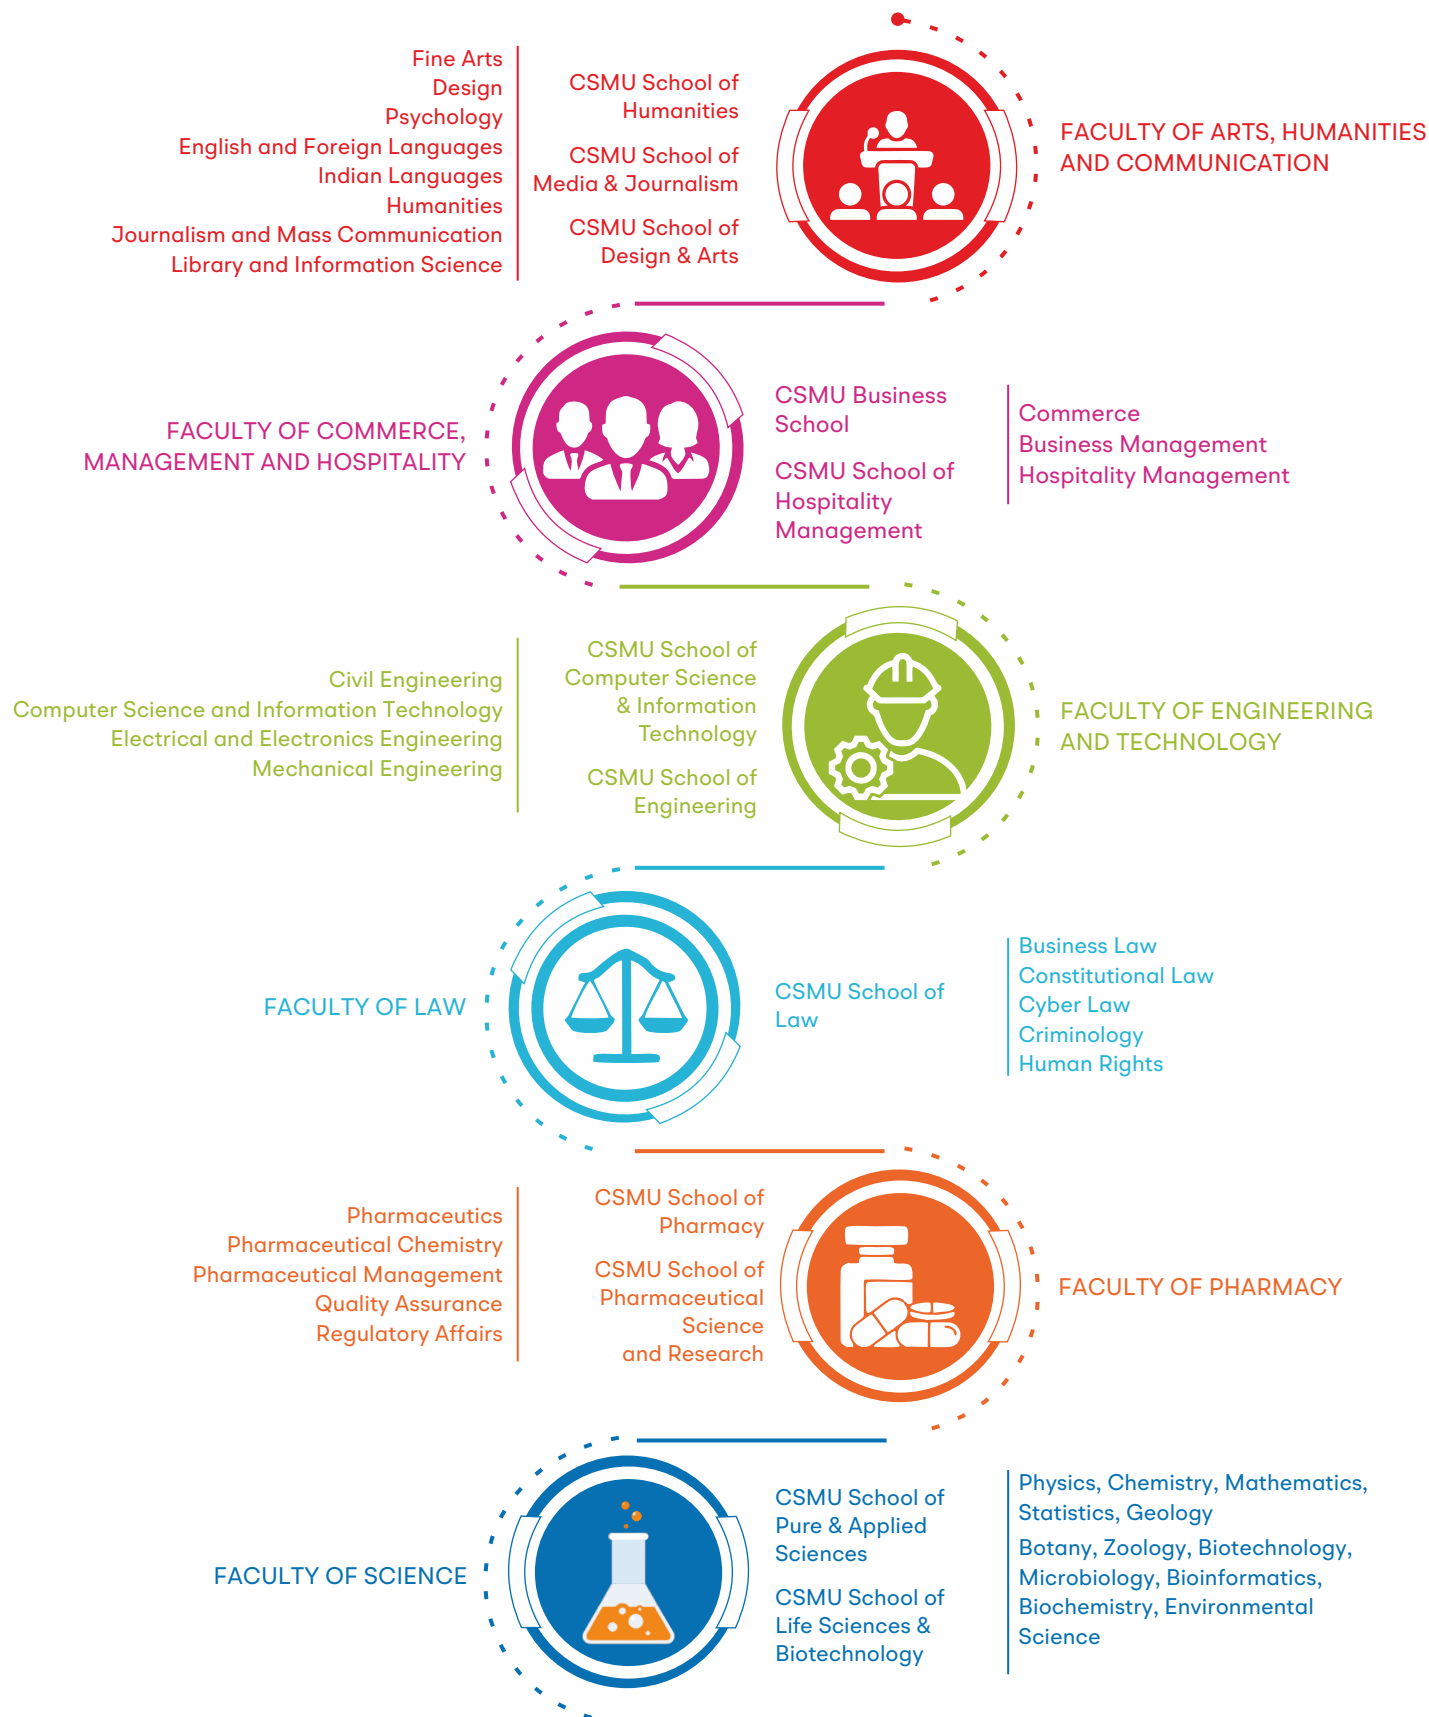

## CSMU MUSIC & DANCE ACADEMY

CSMU Music & Dance Academy is an open-to-all-student facility with talented and dedicated instructors.

# ACADEMICS @ CSMU

# Faculty of Arts, Humanities and Communication

## DESIGN AND ARTS

The Faculty of Arts, Humanities and Communication is a diverse community of academics, students and staff from across all of our related subjects. CSMU's reputation for excellence in the Arts and Humanities rests upon our outstanding teaching and our world-class research.

School of Design and Arts is a temple of creativity that fuels the imagination of aspirational students and offers them a medium to convert their creativity into a career with the help of an array of industry-recognised programmes. The students not only get a chance to study at a world-class institution but also the exposure to prove their capabilities through their work.

Successful creative professionals and experts continuously work together to develop the student skills and equip them so they contribute to the thriving cultural and creative industries. The curriculum includes multiple research projects that are highly conceptual

and allow the students with the opportunity to participate in creative, research-based learning according to the real-world design parameters.

## HUMANITIES

The School of Humanities is the center of the University's liberal arts education. Through exposure to the humanities and arts, undergraduate and post graduate students experience the ethical, aesthetic, and intellectual dimensions of the human values and experience, past and present, and are thereby get prepared to make thoughtful and imaginative contributions to the culture of the future. The study of social, political, and economic events, enables students to acquire theories and techniques for the analysis of specific societal issues, as well as general cross-cultural perspectives on the human conditions and behavior .

## PSYCHOLOGY AND SOCIAL SCIENCES

Department of Psychology and Social Sciences, being one of the developing departments of studies, has grown up with an incredible pace to represent one of the most prominent, in terms of strength, resources, infrastructure and employability of the students in various government / private sectors, hospitals and NGOs.

The Department consists of two major disciplines: Psychology and Social Work as well as a number of sub-disciplines of social sciences. The department boasts its highly qualified and experienced faculty with specialized and expertised in theory and field work maintaining a progressive and people centered emancipatory focus in its pedagogy, research and field action. Emphasis is put into advanced research and field action projects aligned with the latest social issues of regional and national important. Several high quality publications have been produced by the faculty members and students.

**HOD**  
**Dr. Neetu Sharma**  
**M.Sc. (Psychology), Ph.D.**  
E-mail : dass@csmu.ac.in

## LIBRARY AND INFORMATION SCIENCE

Library Science is an academic, intellectual and industrial field having wide reach in the global scenario. The field is filled with professionals who are passionate about making a positive change in the world around them. It took millions of years to shift from manuscripts to printed books but it took hardly two/three decades to move from kilobytes to terabytes and very soon it will shift to yotta bytes in the fastest way possible.

The Department is committed to provide training in the field of newer technologies like Digital Libraries, Institutional Repositories, Content Management systems, Information Analysis, Consolidation, Repackaging and Retrieval, Knowledge Management, E-resources, E-learning, Web Technologies, Networking and Internet etc. to meet the current needs of the Information Science and the modern libraries.

# Faculty of Commerce, Management and Hospitality

## BUSINESS MANAGEMENT

The Business & Management programmes are designed to prepare students fully for careers in today's complex global organizations. The emphasis is on combining theory with practical applications. Faculty are selected both for their strong academic credentials (all faculty are having a doctoral degree in their respective field ) and having experience as practicing managers.

University programmes in the fields of business and management are among the most popular worldwide, at both undergraduate and postgraduate levels of study. Business and Management degrees range from broad and comprehensive to highly specialized programmes, spanning subjects from Accounting, Finance, Business Administration, Economics, Marketing and Management – each of which provides further opportunities for specialization.

CSMU Business School imparts BBA programme at undergraduate and MBA programme at post graduate level. Research facilities leading to Ph.D. degree in different specialization domains are a possibility to the academically inclined.

The departments are equipped with smart classrooms with projectors and interactive displays, discussion rooms and such other world class facilities.

## COMMERCE

The Commerce programmes in CSMU are formed with the aim to create world class leaders in various trades. Mumbai being the business capital of India, CSMU offers a vast opportunity to its graduates through its Industrial network.. The Department takes pride in having experienced faculty, research programmes, updated curricula and courseware. Almost from the very beginning, the Department has been utilizing the services of a number of guest faculty members drawn from both academic institutions and industrial organizations of repute.

The Department, in keeping with the advances made in different branches of commerce, has revised the curriculum from time to time. Currently, B.Com., B.com (Accountancy & Finance) and M. Com. courses are run by the Department. In accordance with the requirements of semester-based teaching. Each paper is assessed through Internal Assessments, written end-of-session examinations, seminar output and project work.

# Faculty of Engineering and Technology

The Faculty of Engineering and Technology is dedicated to develop and produce Engineers with good knowledge in various fields of Engineering & Technology. Due to the recent developments in various areas of technology, the demand for Engineers with advanced technical skills has increased exponentially. The Faculty lays emphasis on inductive, reflective and sequential teaching methods and learning practices. We provide a firm ground in the knowledge, principles and transferable skills which allow students to contribute to this rapidly evolving field, opening the door to an exciting career in virtually any area of business or society. Practical exposure on automation-based instruments with the help of a student-centric CBCS course curriculum aligned with latest AICTE guidelines and projects that are the keys to bringing the budding Engineers to their dreams.

## COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

The School of Computer Science & Information Technology aims to equip the students with the ability and skills to analyze, design and develop computer systems and their applications, with a curriculum that has a balanced emphasis on theory, practicals and projects. The focus will be on development and strengthening systems thinking, problem solving, analysis, design, research, team work, communication skills, and readiness for lifelong learning in areas of Artificial Intelligence, Machine Learning, Deep Learning, Cloud Computing, Cyber Security, Embedded Systems, Internet of Things, Applications in Healthcare and Smart Living. The courses will use mixed techniques of interactive lectures, tutorials, laboratory work, guided case studies, literature surveys and project work that require team work, critical and creative thinking..

The School runs Industry Specialized Programmes in association with Tech Giants TCS-iON and IBM.

Courses on Augmented Reality and Virtual Reality (AR & VR) is established in collaboration with FusionVR. The School also runs Robotics and UI & UX courses in state of the art labs/ workspaces

### Industry Specialized Programmes

## CIVIL ENGINEERING

The Department of Civil Engineering was established in 2018 and has developed to become one of the best training centre in the field of Civil Engineering. The Department offers four-year bachelor's degree programme in Civil

Engineering and two-year master's degree programmes in the major Civil Engineering specializations, as well as doctoral programme. The laboratories of the department are well equipped with cutting-edge technology and provide the necessary facilities for advanced research in Civil Engineering domains.

## MECHANICAL ENGINEERING

One of the oldest and broadest fields of engineering, Mechanical Engineering deals with the design, construction, and use of machines. The programme endows students with the basic understanding and knowledge of how heavy tools and machineries work. A student pursuing a Mechanical Engineering programme will acquire knowledge about designing of automobiles, electric motors, aircrafts and other heavy vehicles.

# Faculty of Engineering and Technology

## B. Tech. CSE/ IT

- Computer Science & Engg.
- Information Technology
- Computer Science & Engg. (Artificial Intelligence & Machine Learning\*)
- AI & Robotics
- Data Science\* • Cloud Computing\*
- Internet of Things\* (IOT)

**Duration:** 4 Years

**Eligibility:** Passed 10+2 examination with Physics, Mathematics and a third subject such as Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology / Technical Vocational subject with at least 45% marks in these 3 subjects combined

## Bachelor of Computer Applications (BCA)

- Mobile Applications
- Data Science & Information Security\*
- Artificial Intelligence & Machine Learning\*
- Cloud Computing\*
- AR & VR
- UI & UX

**Duration:** 3 Years

**Eligibility:** Passed 10+2 examination or passed diploma in relevant branch of Engineering

## Master of Computer Applications (MCA)

- Artificial Intelligence & Machine Learning
- Cyber Security

**Duration:** 2 Years

**Eligibility:** Passed bachelor's degree in a relevant subject with minimum 50% marks in aggregate and preferably has mathematics as a subject in bachelor's degree or 10+2 students having no mathematics background shall undertake compulsory bridge course.

## Bachelor of Science in Computer Science /Information Tech. B.Sc. (CS/ IT)

- Computer Science
- Information Technology

**Duration:** 3 Years

**Eligibility:** Passed 10+2 examination compulsory with Physics and Mathematics and any other subject such as chemistry/ biology/ computer science/ any other subject offered by the concerned board.

## M.Sc. (CS/IT)

- Computer Science
- Information Technology

**Duration:** 2 Years

**Eligibility:** Passed bachelor's degree in relevant subject

## Master of Technology (M.Tech.)

- Computer Science & Engg.
- Information Technology
- Civil Engg.
- Mechanical Engg.
- Electrical Engg.
- Electronics Engg.
- Biotechnology

**Duration:** 2 Years

**Eligibility:** Minimum 50% marks in B. Tech. in respective branch

\* Programme is run in collaboration with Industry Partner such as IBM/ TCS

## B. Tech. Mechanical Engg.

- Mechanical Engg.
- Mechatronics Engg.
- Robotics & Artificial Intelligence

**Duration:** 4 Years

**Eligibility:** Passed 10+2 examination with Physics, Mathematics and Chemistry with at least 45% marks in these 3 subjects combined

## B. Tech. Electrical / Electronics Engg.

- Electrical Engineering
- Electronics and Communications Engg.
- Robotics & Automation

**Duration:** 4 Years

**Eligibility:** Passed 10+2 examination with Physics, Mathematics and a third subject such as Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Technical Vocational subject with at least 45% marks in these 3 subjects combined

## B. Tech. Civil Engg.

- Civil Engineering

**Duration:** 4 Years

**Eligibility:** Passed 10+2 examination with Physics, Mathematics and Chemistry with at least 45% marks in these 3 subjects combined

## B. Tech. Biotechnology

- Biotechnology

**Duration:** 4 Years

**Eligibility:** Passed 10+2 examination with Physics, Chemistry, and a third subject such as Biology/ Computer Science/ Electronics/ Information Technology/ Technical Vocational subject with at least 45% marks in these 3 subjects combined

## Ph.D. in Engineering & Technology

- Ph.D. in various disciplines of Engineering & Technology as per availability of supervisor

**Duration:** 3 Years (4 yrs. for Part time)

**Eligibility:** As per the UGC Regulations 2022

# Faculty of Law

## LL.B

**Duration:** 3 Years

**Eligibility:** Passed 10+2 std. AND a degree examinations with at least 45% (42% for OBC and 40% for SC/ST category) marks in aggregate.

## BA LL.B. (Hons.)

**Duration:** 5 Years

**Eligibility:** Passed 10+2 std. examination with at least 45% (42% for OBC and 40% for SC/ST category) marks in aggregate in the 10+2 std.

## BBA LL.B

**Duration:** 5 Years

**Eligibility:** Passed 10+2 std. examination with at least 45% (42% for OBC and 40% for SC/ST category) marks in aggregate in the 10+2 std.

## LL.M

- Criminology
- Constitution Law
- Business Law
- Human Rights

**Duration:** 2 Years

**Eligibility:** Passed LL. B. or any degree integrated with LL.B.

## Ph.D. in Law

- Doctor of Philosophy in Law

**Duration:** 3 Years  
(4 Years for Part time)

**Eligibility:** As per the UGC Regulations 2022

CSMU School of Law is an innovative educational community with a belief of preparing students for global leadership in judiciary, academia, business and government.

Duly approved by BCI, this centre of law education has diverse and committed faculty who are not only celebrated in their areas of legal expertise but also have a sincere enthusiasm for providing distinct and challenging professional education to their students, their passion for teaching can be seen both inside and outside the classroom. The law faculty is indeed one-of-a-kind community of scholars who take pride in educating the future of the profession with values, accountability, and integrity.

The School conducts co-curricular programmes on a weekly basis. These programmes include moot-court competitions, debate competitions, extempore competitions, legal role play competitions, research paper presentations, legal quizzes, etc.

Guest Lecturers by eminent personalities from the legal fraternity as well as organizing workshops, seminars, visits to the Parliament, Law commission of India, the Supreme Court etc. are major activities of the department.

CSMU School of Law runs 3-year LL.B., 5 – year integrated BA LL.B. (Hons.) and BBA LL.B. programmes, approved by the Bar Council of India (BCI), as well as LL.M. and Ph.D. programmes in various specializations.

# Faculty of Pharmacy

India has a vast & growing Pharmaceutical Industry. In order to meet its demand, CSMU initiated the CSMU School of Pharmacy, approved by PCI. Pharmacy offers good career opportunities both by way of jobs as well as in terms of starting your own business. The mission of the institute is to become a center of excellence in Pharmaceutical Education & Research.

The School has a number of excellent laboratories to give student hands-on experience of the trade. The laboratories and the workshops have at of the art equipment search as Tablet Punching Machine; Capsule Filling Machine, Dissolution Test Apparatus, Disintegration Test Apparatus, Double cone blender, Gel Electrophoresis Apparatus, Digital Photo Colorimeter, Polarimeter, Photo Flurometer and many more.

## Diploma in Pharmacy

**Duration:** 2 Years

**Eligibility:** Passed 10+2 std. examination degree with Physics, Chemistry and Biology or Mathematics (PCM/PCB/ PCMB) and English

## Bachelor of Pharmacy

**Duration:** 4 Years

**Eligibility:** Passed 10+2 std. examination degree with Physics, Chemistry and Biology or Mathematics (PCM/PCB/ PCMB) and English

## Master of Pharmacy\*

\* Subject to the approval of PCI

- Pharmaceutics
- Quality assurance
- Regulatory affairs
- Pharmaceutical Chemistry

**Duration:** 2 Years

**Eligibility:** Passed B. Pharm Degree examination from an institution approved by Pharmacy Council of India with at least 55 % in aggregate

For details about Programme Structures/Teaching Learning Schemes/Syllabi and other useful information visit faculty website <https://csmu.ac.in/faculty-of-pharmacy-2/>

M.Pharm.

# Faculty of Science

## Bachelor of Science B.Sc. / B.Sc. (Hons. / Research)

- Basic Sciences (Physics, Chemistry, Mathematics, geology)
- Life Sciences (Botany, Zoology, Biotechnology, Microbiology, Geology, Bio informatics, Biochemistry, Psychology)

**Duration:** 3/4 Years

**Eligibility:** Passed 10+2 examination with PCM/PCB or equivalent

## Master of Science (M.Sc.)

- Physics
- Chemistry
- Mathematics
- Applied Mathematics and Data Science
- Statistics
- Geology
- Botany
- Zoology
- Environmental Science
- Biotechnology
- Bioinformatics
- Biochemistry
- Microbiology

**Duration:** 2 Years

**Eligibility:** Minimum 45% marks in B.Sc./B.Sc. (Hons.) with relevant subjects.

## Ph.D. in Science

- Ph.D. in various disciplines of science as per availability of supervisor

**Duration:** 3 Years  
(4 Yrs. for Part time)

**Eligibility:** As per the UGC Regulations 2022

## PURE & APPLIED SCIENCES

The School of Pure and Applied Sciences runs Bachelor, Masters and Doctoral programmes in, Chemistry, Mathematics, Physics, Statistics & Geology.

The Department aims to promote fundamental science of the highest quality in a first-class physical environment. It includes experienced faculties with expertise on an exceptionally broad spectrum of sciences. Our enthusiastic research culture embraces new challenging areas, it boasts strong collaborations with other academic disciplines and institutions, while maintaining a powerful presence in the traditional core areas of Chemical, Physical, Mathematical & Earth Sciences.

Experienced and highly qualified faculty members employ latest pedagogical methods and modern equipment in teaching theory and practical classes. The students has been placed in reputed organizations /institutes as staff / faculty members and in higher education.

## LIFE SCIENCES AND BIOTECHNOLOGY

The School of Life Sciences & Biotechnology was established with a mission of discovering and disseminating knowledge in the field of Life Sciences through teaching & research by competent faculties. A learning processes to the addressed the problems affecting health & welfare of the society. The Departments offer undergraduate, postgraduate and doctoral programmes in Zoology, Botany, Biochemistry, Science, Microbiology, Biotechnology and Bioinformatics. Primary teaching and research fields of specialization include Biochemistry, Environmental Biotechnology, Botany, Biochemistry, Cell biology, Cell signalling, Molecular biology, Genetics, Plant science, Virology and Bioinformatics. The overall aim is to effectively engage students in learning, enhance their problem solving skills, to get deeper understanding of the discipline in order to achieve the bigger goal of generating competent human resources as per individual, institutional and societal norms. The specialized domains targeted by the Departments are the thrust area of the 21st century and are considered as the fastest growing discipline across the world.

# ADMISSIONS@CSMU

CSMU seeks the brightest scholars from the broadest range of backgrounds to enrich the CSMU family. Students with intellectual curiosity, an interdisciplinary mindset, and a desire to contribute to the world. We want to intrigue the students who possess the ability to turn their ideas and interests into action, people whose talents and experiences will energize our community.

## FULL ONLINE ADMISSION PROCESS

Admission to CSMU is now a fully online process, powered by *meritto.com* (formerly *nopaperforms.com*), the admission process gives the applicant a hassle free smooth experience.

## CHOOSE THE RIGHT CAREER

CSMU offers free counselling service to all aspirants to higher education. Our experienced counsellors offers completely unbiased and informative advice to the aspirants based on their respective strengths and weaknesses.

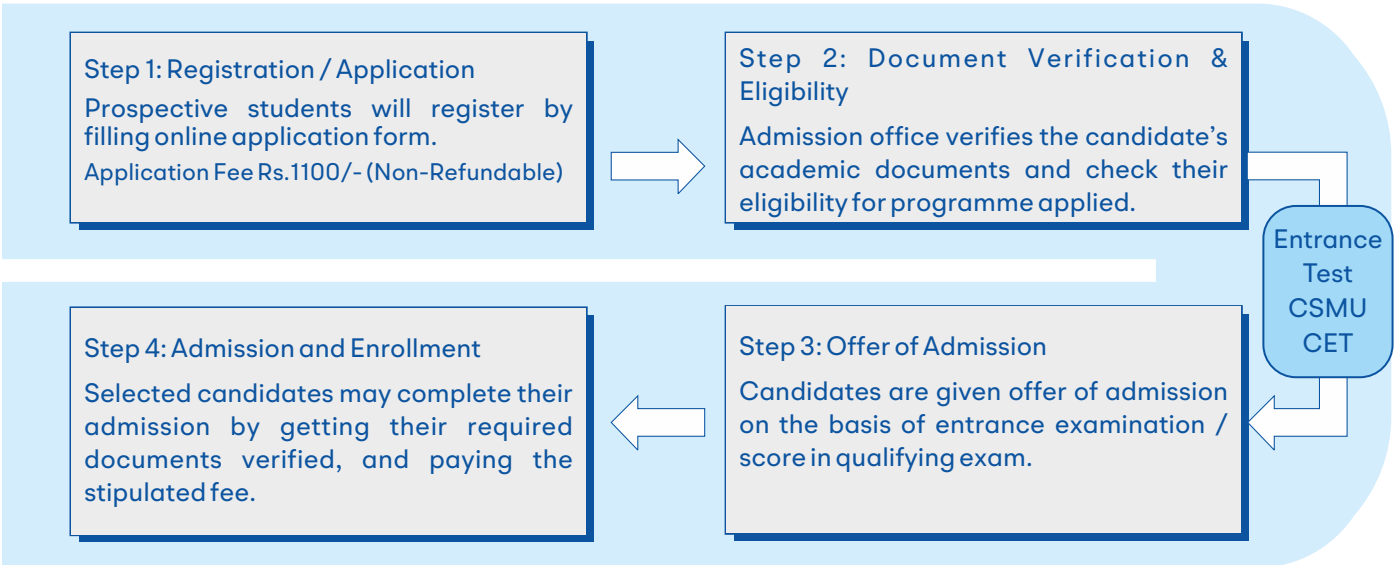

## A 'UNIVERSAL' ENTRANCE TEST

The entrance examination to CSMU, CSMUCET, is a unique examination designed to assess the true strengths and weaknesses of the candidate. The syllabi for CSMUCET are designed to focus on the primary objectives of the programme the candidate is applying to.

CSMU also accepts the candidates who have cleared the JEE / CET / NATA / CLAT/ CUET – UG / CUET-PG / MAT / GATE / NET etc. National level examinations wherever it is relevant.

## ADMISSIONS PROCESS

Please visit : <https://csmu.ac.in/admission/> for admission

# ADMISSIONS TEAM

Our mission is to provide unwavering support and guidance to students as they embark on their academic journeys. The Admission Team works tirelessly to provide the students a seamless experience and deal with their needs and requirements in a manner that is hassle-free and comforting to the new entrants. The Admission team has a tested and proven SOP of systematic, transparent and student -friendly policies that lays the foundation of their academic career.

## BHARAT RATNA DR. BHIMRAO AMBEDKAR SCHOLARSHIP & FINANCIAL ASSISTANCE SCHEMES (ACADEMIC SESSION: 2025-26)

CSMU offers a number of scholarships & financial assistance schemes to deserving students of the UG/PG programmes with the objective of encouraging meritorious students and promoting academic excellence in all parts of the society.

Scholarship Category	Eligibility	Scholarship Amount/ %age of Annual Fees
Scholarship For Meritorious Students	≥95 % Marks or equivalent CGPA in Qualifying Examination	50%
	≥90% to < 95 % Marks or equivalent CGPA in Qualifying Examination	25%
	≥85% to < 90% Marks or equivalent CGPA in Qualifying Examination	10%
	9.75-10.00CGPA in subsequent years	50%
	9.50-9.74CGPA in subsequent years	25%
	9.00-9.49CGPA in subsequent years	10%
Scholarship For Defence Personnel/ Freedom Fighters	Defence/ police/ paramilitary personnel or their spouse	40%
	Wards of Defence/ police/ paramilitary personnel	25%
	Wards/ Grandchildren of Freedom Fighters	25%
Sports Scholarship	International level competitor	70%
	National level competitor	40%
	State level competitor	25%
Scholarship For Reserved Categories / Minorities	SC/ST	35%
	OBC/SEBC/SBC/VJ/NT	20%
	EWS	20%
	Divyang (PH)	20%
	Minority	20%
Scholarship For Students of CSMU and their siblings / spouse	If a brother/sister/husband/wife of existing students of CSMU is admitted to CSMU, both students will receive scholarship as long as both are enrolled.	25%
	Alumni of CSMU or its sister institute admitted to higher degree	25% with a Max of Rs. 30000
Scholarship For CSMU and its sister institutes' employee and their wards	Employees or their Spouse/ Ward	50%
	Brother/Sisters or Wards of brother/sister of Employees or such extended blood relations	15%
Teaching Assistantship for M. Tech. / Ph.D.	Depending on the requirements of University departments/schools, limited number of M. Tech. and Ph.D. students may be awarded teaching assistantships (TA) of Rs.15,000/- and Rs.25,000/- per month respectively. TA will be awarded on the recommendation of an interview committee constituted for this purpose.	
President's Scholarship	The University awards the President's Scholarship to the students of the University who are in need or deserve financial assistance. The Hon'ble President may award this scholarship to the deserving student of any amount or approve any fee waiver as he deems fit.	

Scholarships and financial assistance schemes are available to eligible CSMU students subject to fulfilment of terms & conditions stipulated by the University (See University website for detail- <https://csmu.ac.in/scholarship/>).

# PROGRAMMES OFFERED WITH INTAKE, DURATION AND ELIGIBILITY CRITERIA (SESSION 2025-26)

Faculty of Engineering and Technology				
Programme Name	Specialization	Duration	Eligibility	Intake
B. Tech. CSE/ IT	1. Computer Science & Engg. 2. Information Technology 3. Artificial Intelligence & Machine Learning* 4. AI & Robotics 5. Data Science* 6. Cloud Computing* 7. Internet of Things*(IOT)	4 Years	Passed 10+2 examination compulsory with Physics, Mathematics and a third subject such as Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Technical Vocational subject with at least 45% marks in these three subjects combined	540
B. Tech. Electrical / Electronics Engg.	1. Electrical Engineering 2. Electronics and Communications Engg. 3. Robotics & Automation	4 Years	Passed 10+2 examination compulsory with Physics, Mathematics and a third subject such as Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Technical Vocational subject with at least 45% marks in these three subjects combined	60
B. . Tech. Mechanical Engg.	1. Mechanical Engg. 2. Mechatronics Engg. 3. Robotics & Artificial Intelligence	4 Years	Passed 10+2 examination with Physics, Mathematics and Chemistry with at least 45% marks in these three subjects combined	60
B. Tech. Civil Engg.	Civil Engineering		Passed 10+2 examination compulsory with Physics, Mathematics and Chemistry with at least 45% marks in these three subjects combined	60
B. Tech. Biotechnology	Biotechnology	4 Years	Passed 10+2 examination compulsory with Physics, Chemistry, and a third subject such as Biology/ Computer Science/ Electronics/ Information Technology/ Technical Vocational subject with at least 45% marks in these three subjects combined	60
B. Tech. lateral Entry	All above branches as per availability	3 Years	Passed 3-year Diploma after 10th Std. or Diploma after 10+2 std. in relevant branch of engineering or Bachelor of Science with relevant subjects and at least 45% marks in aggregate	As per available seats
Bachelor of Computer Applications (BCA)	1. Mobile Applications 2. Augmented Reality and Virtual Reality (AR & VR) 3. User Interface and User Experience (UI & UX) 4. Data Science & Information Security* 5. Artificial Intelligence & Machine Learning* 6. Cloud Computing*	3 Years	Passed 10+2 examination or passed diploma in relevant branch of Engineering	420
Bachelor of Science in Computer Science /Information Technology B.Sc. (CS/ IT)	1. Computer Science 2. Information Technology	3 Years	Passed 10+2 examination compulsory with Physics and Mathematics and any other subject such as chemistry/ biology/ computer science/ any other subject offered by the concerned board.	60
M.Sc. (CS/IT)	1. Computer Science 2. Information Technology	2 Years	Passed bachelor's degree in relevant subject	60
Master of Technology (M.Tech.)	1. Computer Science & Engg. 2. Information Technology 3. Civil Engg. 4. Mechanical Engg. 5. Electrical Engg. 6. Electronics Engg. 7. Biotechnology	2 Years	Minimum 50% marks in B. Tech. in respective branch	18 Each
Master of Computer Applications (MCA)	1. Artificial Intelligence & Machine Learning 2. Cyber Security	2 Years	Passed bachelor's degree in a relevant subject with minimum 50% marks in aggregate and preferably has mathematics as a subject in bachelor's degree or 10+2 students having no mathematics background shall undertake compulsory bridge course.	60
Ph.D. in Engineering & Technology	Ph.D. in various disciplines of Engineering & Technology as per availability of supervisor	3 Years (4 yrs. for Part time)	As per the UGC Regulations 2022	As per Vacant seats

PROGRAMMES OFFERED

Faculty of Commerce, Management and Hospitality				
Programme Name	Specialization	Duration	Eligibility	Intake
Bachelor of Commerce B. Com. / B.Com. (A&F) / B. Com. (Hons./ Research) <sup>1</sup>	1. Commerce 2. Accounts and Finance (Equivalent to B.A.F.)	3/4 Years	Passed 10+2 examination or equivalent	30
Master of Commerce (M. Com.)	1. Accounting 2. Taxation 3. Banking and Insurance	2 Years	Passed Bachelor degree in relevant subject with at least 45% marks or equivalent	30
BBA	1. International Business 2. Supply Chain Management 3. Finance	3 Years	Passed 10+2 examination or equivalent	60
MBA / MBA (Executive)	<b>Dual Specializations:</b> 1. Marketing 2. Finance 3. Human Resources 4. Information Technology 5. Hospital Management 6. Pharmaceutical Management 7. Fintech 8. Operations Management 9. Logistics and Supply Chain Management	2 years / 18 months	Passed Bachelor degree in any subject with at least 50% marks in aggregate or equivalent 2 years working experience is compulsory for MBA (Executive)	80
BHM/ B.Sc. (HS) <sup>2</sup>	1. Hotel and Catering Tech. 2. Travel and Tourism	3/4 Years	Passed 10+2 examination or equivalent	30
M.H.M.	1. Hotel and Catering Tech. 2. Travel and Tourism	2 Years	Passed bachelor's degree in Hotel Management or equivalent with at least 45% marks.	30
Diploma in Hotel Operations		2 Years	Passed 10th Std./SSC examination or Equivalent	30
Ph.D. in Commerce and Management	Ph.D. in various disciplines of Commerce and Management as per availability of supervisor	3 Years (4 Yrs. for Part time)	As per the UGC Regulations 2022	As per Vacant seats
Faculty of Science				
Bachelor of Science B.Sc. / B.Sc. (Hons. / Research) <sup>3</sup>	1. Basic Sciences (Physics, Chemistry, Mathematics, statistics geology) 2. Life Sciences (Botany, Zoology, Biotechnology, Microbiology, Geology, Bioinformatics, Biochemistry, Psychology)	3/4 Years	Passed 10+2 examination with PCM/PCB or equivalent	60
Master of Science (M.Sc.)	1. Physics 2. Chemistry 3. Mathematics 4. Applied Mathematics and Data Science 5. Statistics 6. Geology 7. Botany 8. Zoology 9. Environmental Science 10. Biotechnology 11. Bioinformatics 12. Biochemistry 13. Microbiology	2 Years	Minimum 45% marks in B.Sc./B.Sc. (Hons.) with relevant subjects.	530
Ph.D. in Science	Ph.D. in various disciplines of science as per availability of supervisor	3 Years (4 Yrs. for Part time)	As per the UGC Regulations 2022	As per Vacant seats

## PROGRAMMES OFFERED

Faculty of Arts, Humanities and Communication				
Programme Name	Specialization	Duration	Eligibility	Intake
Bachelor of Design B. Des./B.Sc. (Design) <sup>4</sup>	1. Fashion 2. Interior 3. Graphics	4/3 Years	Passed 10+2 examination or Equivalent	60
Bachelor of Visual Arts (B. V. A.)	Animation and VFX	4 Years	Passed 10+2 examination or Equivalent	30
Master of Design (M. Des.)	1. Fashion 2. Interior 3. Graphics	2 Years	Passed bachelor's degree in relevant Subject(s)	30
Diploma in Design	1. Fashion 2. Interior 3. Graphics	3 Years	Passed 10th Std. or Equivalent	30
Bachelor of Arts B.A./B. A. (Hons./Research) <sup>5</sup>	1. Humanities (English, Hindi, Marathi, Sanskrit/ Public Administration/ History, Political Science, Geography, Economics) 2. Journalism and Mass Communications	3/4 Years	Passed 10+2 examination or Equivalent	60
B.A./B.Sc. (Hons. / Research) <sup>5</sup> Psychology	Psychology	3/4 Years	Passed 10+2 examination or Equivalent (Science subjects, i.e. PCM/ PCB or equivalent is required for B.Sc.	60
Master of Arts (M. A.)	1. English 2. Psychology 3. Economics 4. History 5. J&MC	2 Years	Passed bachelor's degree in relevant Subject(s) or equivalent	30
M.A. / M.Sc. Psychology	Psychology	2 Years	Passed B.A./ B.A (Hons.) Psychology for M.A. and passed B.Sc./ B.Sc. (Hons.) Psychology for M.Sc.	60
B. Lib. ISc./Integrated B. Lib. ISc. & M. Lib. I.Sc	Library and Information Science	1/2 Years	Passed bachelor's degree or equivalent	10
M. Lib. ISc.	Library and Information Science	1 Years	Passed bachelor's degree in relevant subject(s)	10
BSW	Bachelor of Social Work	3 Years	Passed 10+2 examination or equivalent	60
MSW	Master of Social Work	2 Years	Passed bachelor's degree with relevant subjects	60
Ph.D. in Arts and Humanities	Ph.D. in various disciplines of Arts and Humanities as per availability of supervisor	3 Years (4 Years for Part time)	As per the UGC Regulations 2022	As per Vacant seats

PROGRAMMES OFFERED

Faculty of Pharmacy				
Programme Name	Specialization	Duration	Eligibility	Intake
CSMU School of Pharmacy				
Diploma in Pharmacy		2 Years	Passed 10+2 std. examination degree with Physics, Chemistry and Biology or Mathematics (PCM/PCB/ PCMB) and English	60
Bachelor of Pharmacy		4 Years		100
Bachelor of Pharmacy (Lateral Entry)		3 Years	Passed D. Pharm. from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act.	10
Master of Pharmacy	1. Pharmaceutics	2 Years	Passed B. Pharm Degree examination from an institution approved by Pharmacy Council of India with at least 55 % in aggregate	16
	2. Quality assurance			16
	3. Regulatory affairs			16
	4. Pharmaceutical Chemistry			16
CSMU SPSR				
Diploma in Pharmacy		2 Years	Passed 10+2 std. examination degree with Physics, Chemistry and Biology or Mathematics (PCM/PCB/ PCMB) and English	60
Bachelor of Pharmacy		4 Years		60
Bachelor of Pharmacy (Lateral Entry)		3 Years	Passed D. Pharm. from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act.	6
Faculty of Law				
Programme Name	Specialization	Duration	Eligibility	Intake
LL.B		3 Years	Passed 10+2 std. AND a graduate or higher degree examination from a recognised university with at least 45% (42% for OBC and 40% for SC/ST category) marks in aggregate in the degree examination.	120
BA LL.B. (Hons.)		5 Years	Passed 10+2 std. examination with at least 45% (42% for OBC and 40% for SC/ST category) marks in aggregate in the 10+2 std.	60
BBA LL.B		5 Years		60
LL.M	1. Criminology 2. Constitution Law 3. Business Law 4. Human Rights	2 Years	Passed LL. B. or any degree integrated with LL.B.	30
Ph.D. in Law	Doctor of Philosophy in Law	3 Years (4 Years for Part time)	As per the UGC Regulations 2022	As per Vacant seats

- \* Programme is run in collaboration with Industry Partner such as IBM/ TCS etc.
- 1. 4-year UG programme (FYUP). Exit after 3rd year is allowed with B.Com. degree.
  - 2. 4-year UG programme (FYUP). Exit after 3rd year is allowed with B.Sc. (HS) degree
  - 3. 4-year UG programme (FYUP). Exit after 3rd year is allowed with B.Sc. degree. As per CBCS, one major and one minor subject is to be selected from the given specializations.
  - 4. 4-year UG programme (FYUP). Exit after 3rd year is allowed with B.Sc. (Design) degree.
  - 5. 4-year UG programme (FYUP). Exit after 3rd year is allowed with B.A. degree. As per CBCS, one major and one minor subject is to be selected from the given specializations.

- Note:**
- 1. Relaxation of 5% marks will be applied to candidates belonging to the reserved category unless otherwise specified by the apex regulatory body concerned with the programme.
  - 2. Intakes are earmarked for reserved categories as per the state and central governments. Seats are earmarked for candidates with Maharashtra domicile state as per the state govt. policy. However, if earmarked seats are not filled, they will be offered to deserving candidates.
  - 3. Admissions in professional programme shall be done through University Entrance Test only. Those who have passed an equivalent state or national level eligibility test shall be exempted from the entrance test.

## FEE STRUCTURE FOR ACADEMIC YEAR 2025-26

Programme Name	Duration	Annual Fee (INR)	
		Indian and SAARC Nationals	International Students except SAARC countries
B. Tech.	4 years	148000	175000
B. Tech. (CSE-AI&ML)	4 years	178000	180000
B. Tech. (CSE-AI&ML) - Lateral Entry	3 years	165000	180000
B. Tech. – Lateral Entry	3 years	135000	175000
M. Tech.	2 years	100000	120000
BCA	3 years	100000	140000
BCA- AI & ML/Data Science	3 years	130000	175000
BCA- AR & VR/UI & UX	3 years	120000	175000
B.Sc. (CS /IT)	3 years	80000	100000
MCA/ M. Sc. (CS/IT)	2 years	100000	115000
B.Com./ B. Com. (Hons./ Research)/ B. Com. ( A& F)	3/4 years	50000	75000
BBA	3 years	90000	115000
M.Com.	2 years	50000	75000
MBA	2 years	140000	160000
Diploma in Hotel Management	2 years	75000	90000
B. Sc. (Hospitality Studies)	3 years	90000	120000
BHM	4 years	90000	120000
MHM	2 years	75000	115000
B.Sc. / B.Sc. (Hons./ Research)	3/4 years	50000	100000
M.Sc.	2 years	50000	100000
M. Sc. (Biotech., Microbiology, Bioinformatics, Biochem.)	2 years	60000	100000
M.Sc. (Applied Mathematics & Data Science)	2 years	65000	100000
B.A./ B.A.(Hons./Research)	3/4 years	50000	90000

REFUND OF FEE IN CASE OF WITHDRAWAL OF ADMISSION

A refund claim can be processed, after due consideration of the request, by the approval of the University. If a student chooses to withdraw from the programme of study in which he/she is admitted/enrolled, the University shall follow the following system for the refund of fees remitted by the student (made under the purview of the guidelines issued by the UGC).

S.No.	Percentage of Refund of Fees*	Point of time when notice of withdrawal of admission is received in the HEI
1.	100%	15 days or more before the formally notified last date of admission.
2.	90%	Less than 15 days before the formally notified last date of admission.
3.	80%	15 days or less after the formally notified last date of admission.
4.	50%	30 days or less, but more than 15 days after formally notified last date of admission.
5.	00%	More than 30 days after formally notified last date of admission.

Note:

- 1. Withdrawal requests must be made in the application format available at the Director Admissions Office. The refund will be made only after the student has surrendered the ID card, original fee receipt and submission of the dues clearance certificate etc.
- 2. University shall deduct course fee/ tuition fee paid by the student, subject to a maximum of Rs. 1000/- as processing charges from the refundable amount.
- 3. Last date of admission and commencement of classes will be notified by the university.
- 4. Chhatrapati Shivaji Maharaj University, Panvel, Navi Mumbai reserves the right to make changes as per the notifications received from the concerned statutory/regulatory authorities from time to time. Any changes made in the above will be updated on the university website.

# TRAINING & PLACEMENT CELL

The Training & Placement Cell plays a very crucial role in locating job opportunities for Under Graduates and Post Graduates passing out Students from our university by keeping in touch with reputed firms/MNCs and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies for our Science & Engineering graduates. The number of students has already placed through the campus interviews are continuously raising. On invitation, of many reputed industries visit the institute to conduct interviews.

From the year 2025, the University has started conducting CSMU MAHA JOB FAIR - the largest job fair and recruitment drive in the region and invites top-tier companies. Students of CSMU as well as from all nearby colleges gets the exposition to India's finest employers.

The Placement Cell organizes career guidance programmes for all the students starting from first year. Training & Placement cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. TPO, Cell invites HR Managers from various MNCs/ industries to conduct training programmes for final year students.

The Training and Placement Office of CSMU is relentless in its efforts to prepare the students to meet corporate expectations and in general enhancement of employability

Mr. Narayan Kharaje  
Training and Placement Officer

## OUR RECRUITERS

## COLLABORATION WITH FOREIGN UNIVERSITIES

CSMU has initiated a number of collaborations with Institutions of global repute across the globe. These collaborations enables both universities to;

1. **Exchange of Undergraduate, Postgraduate and Research students** for the completion of their degrees and research works on subjects of mutual interest;
2. Exchange of teaching staff for **lecturing, conducting seminars, as well as joint supervision** of carrying out student works and graduate student researches;
3. Exchange of training and methodical literature, **teaching plans and curricula**;
4. Agreement of curricula and teaching programs with the purpose of working out combined **“Dual Degree Programme”** under the framework of **National Education Policy 2020**.
5. Arrangement and conducting of **joint seminars, conferences, exhibitions** on subjects of cooperation;
6. Preparation, realization and **publishing the results of mutual researches** in generals and periodicals;
7. Organization of **International Summer or Winter term** courses for students from both Universities.

## FOREIGN INTERNSHIPS AND PLACEMENTS

Apart from educational institutes, the University has partnered with a number of foreign companies or Indian industries with overseas establishments. The University, in collaboration with these companies, offers the students opportunities of foreign internships for a variety of durations starting from a month-long short internship to 3 months and 6 month-long internships. Students earn credits from these internships while getting a flavour of international work culture.

These internships are held in Southeast Asia (Singapore, Malaysia), Middle East (UAE, Qatar, Oman), Australia, Europe (Germany, France, UK and Ireland) and Americas (Canada, USA).

## INDUSTRY COLLABORATIONS AND MOUS

The University has signed a MOU with IBM Career Education India to jointly run various programmes in the field of emerging technologies in Computer Science and Engineering such as Artificial Intelligence & Machine Learning, Data Science etc.

### Programme Highlights:

Up to date course curriculum designed by leading experts based on current trends recommended by IBM specialists.

- Lecture delivered by IBM experts.
- Internship opportunity at IBM.
- Real life problems faced in industry are taught.
- Completion certificate for each course given by IBM.
- Unique placement opportunities.
- Access to IBM Watson services.

The University signed MOU with TCS iON to run application-oriented programmes in the field of information technology such as Internet of Things, Cyber security and cloud computing.

### Programme Highlights

Specialized Courses as per the current demands of the industry, designed by academic and industry experts.

Lectures delivered by TCS Faculty

Remote internship with corporate mentors.

Completion certificate for each course given by TCS.

Access to TCS digital test for placement (TCS digital test is a nationwide test platform for placement in TCS and is commonly available to IIT/NIT students only).

## OUR DIGITAL PARTNERS

# RESEARCH AND DEVELOPMENT @ CSMU

Chhatrapati Shivaji Maharaj University upholds the practice of fundamental research and its application to societal needs to the highest ground. Our vision is to foster a culture of academic freedom, diversity of creative thinking, the pursuit of truth and the highest level of academic standards.

The Research and Development Cell (R & D Cell) at CSMU provides a vigorous and highly visible research environment to its students with an objective to research culture and develop the habit of leadership within the University.

## Ph. D. PROGRAMME

The Ph. D. programme offers a Doctorate degree that is often considered as the highest academic degree a student can obtain and involves intense research and study dedicated to a specific field of interest. It requires identification and development of critical knowledge and expertise required to thrive in an international research and teaching environment. It is necessary to conduct, and communicate valid, and ethical research and evaluate ongoing or completed research projects.

Admission to the Ph. D. programme is done through the CSMU-PET examination and personal interviews taken by a committee of subject experts.

## CENTER OF EXCELLENCE

A Center of Excellence, Center for Climate Change and Water Studies - C3WS” has been established and inaugurated on the Engineers Day (15th September)

**VISION:** C3WS shall be a Centre of Excellence catering to the R&D demands in all aspects of Water, Climate and Hazard Management. IEC(Information, Education and Communication)activities for Awareness in community. Preparing Volunteers for work with community.

**MISSION:** To enhance the quality of public life by ensuring water security and security from water (flood) for all by providing necessary Research and Development inputs, Skilled and trained work force and public enforcement and participation by IEC with

special emphasis on the humid tropics. Specialized courses such as Diploma and PG courses for preparing active work force.

### OBJECTIVES

1. To educate the students and Scholars in field of Water Resources Engineering”
2. To educate the students and scholars on Disaster management.
3. To prepare qualified work force to fight with Draught conditions with Rain water management.
4. To prepare qualified work force to fight with Flood conditions.

## FULLY AUTOMATED E-LMS

The University has implemented a cloud based Enterprise Resource Management (ERP) system powered by Camu. The ERP handles the Admissions, Academics, Examinations and the Finance of the University.

The ERP handles entire teaching-learning process with advanced automation tools.

Student and staff Timetables, Lecture plans and lecture contents is allocated for the students.

The students can read and download the learning materials anywhere with a simple app.

All students and their parents get a portal login to access the e- LMS using a computer, a mobile phone, a tab or any other device of their choice.

Students can view their paid and due fees as well pay their fees using the App. All forms of online banking is supported by the App.

Application for scholarships, hostel accommodation, provisional certificates and such can be made from Student Portal only.

Training and Placement information including placement interviews are scheduled with the ERP system.

Students can even create their own CV with minimal effort using the portal.

Teachers and parents can monitor the attendance of students.

The Heads of the Departments can gather students’ details, contacts, results, dues, scholarships and such other info with a single click.

All students and staff data is saved in encrypted secure server.

Calyxpod– The AI Examination proctor

During the times of lockdown. All examinations of the University have been conducted online using Calyxpod AI proctor.

"The university's commitment to sustainability is truly inspiring. They have implemented numerous initiatives to reduce our environmental footprint and promote responsible practices."

"Chhatrapati Shivaji Maharaj University is not just a place to learn, it's a home that nurtures our minds and spirits. The faculties here are not just teachers; they are mentors who guide us towards our dreams."

"In the university, I found not just knowledge but also inspiration, thanks to the amazing teachers."

"Our University is the place where the talented teachers ignite the fire of learning within us."

"The location of this university is ideal. It's situated in a vibrant city with a thriving arts and culture scene. We have the opportunity to attend countless concerts, exhibitions, and performances, which has enriched our education and expanded our horizons."

"Teachers in university don't just teach subjects, they impart wisdom that lasts a lifetime."

"My University is the melting pot of knowledge, and all my teachers are the ones who stir the pot."

"All the teachers of Chhatrapati Shivaji Maharaj University are the unsung heroes who shape the future of their students."

# CAMPUS LIFE @ CSMU

## AARAMBH

Aarambh is the pinnacle of events in CSMU. It is an event organized by the students where they welcome its Freshers and bid farewell to the outgoing students. After the pandemic, Aarambh has made a splendid comeback, with fascinating plethora of music, move, artisanship, theater, nourishment, design and many more.

## SCIENCE DAY

CSMU celebrates National Science Day on the occasion of the discovery of Raman Effect by Sir C. V. Raman. This day is a treat for all the science students and science enthusiasts.

The students partake in quiz competitions, debates, exhibit exciting projects, posters and rangoli depicting their interest in the broad field of science under the guidance of the Science and Engineering faculty.

## CHHATRAPATI SHIVAJI MAHARAJ JAYANTI

On the holy occasion of the birth anniversary of the Maratha Warrior King Chhatrapati Shivaji Maharaj, the Namesake University is honoured to facilitate a glorious occasion. The occasion begun with pennant uncovering and Puja of Chhatrapati Shivaji Maharaj, followed by drum processions, song and dance offerings to the greatest Maratha leader.

TRADITIONAL DAY

It's a day that everybody looks forward to in CSMU. The Traditional Day captures the diversity amongst the members of the CSMU family who adorn the traditional outfit on this day. As the CSMU family consists of students and staff from all over India and abroad, the Traditional Day truly becomes a vibrant representation of the soul of our beloved Bharat – “Unity in Diversity”.

CANTEEN

A well-lit and well ventilated cafeteria within the University serves solid nourishment to the students. Gourmet and western dishes are also available for the passionate foodies. A sound and top notch beginning of the day starts with the breakfast of various choice, followed by a nutritious lunch. Evening snacks and supper are available at the cafeteria, serving an assortment of menus which are both healthy and tasty.

SPORTS FACILITY

Sports is essential for the building of health, physique, character and mutual understanding. CSMU students are always keen to engage in various outdoor and indoor sports actively that are available with the facility. Our sports educators train the students diligently and severely to churn out winning teams and champions.
